What is required of the participating D&B locations

Once a week a team member from the participating location will simply update the auction with the CBU provided bid sheets, scan the completed bid sheets and email them to bidsheets@cbuauctions.com. This entire process will take approximately 5-10 minutes per week.

How are space limitations handled? We offer multiple auction configurations that are customizable. A CBU silent auction display will complement existing space without interfering with daily operations.

What about security? During setup, the CBU auction team will secure all items to minimize the risk of theft and damage. In the unlikely event of an incident, host locations will not be held liable for any damage or loss of auction items.

How do the locations receive the money that is being donated to Make-A-Wish?

The funds raised will be paid directly to Make-A-Wish America then distributed to the applicable local chapter. Your company will receive 100% credit for the donation as part of your national partnership.

Do participating locations receive credit for the money raised for the

Make-A-Wish campaign? Absolutely! Charity Benefits Unlimited will work with participating locations to provide necessary reporting during fundraising campaigns. CBU will also provide detailed reporting to Make-A-Wish.

Does the silent auction take away money spent in each location? The silent auction does not have a negative impact on customer spend. Payment for the auction items is collected after the auction closes, not at the time of the visit

What if there are issues with the silent auction? We provide telephone support Monday - Friday, 9am - 5pm, and email is monitored after-hours.

What if bidders have questions about the silent auction? Frequently asked questions are displayed on the auction table, along with a phone number and email address for additional questions.

Are the autographed items authentic?

All signed pieces of memorabilia are authentic and include a certificate of authenticity. Some items on display may be part of our Laser Engraved Collector's Edition. These signatures have been laser engraved which has been noted on the bid sheet.
